"The measure of intelligence is the ability to change".

-Albert Einstein

St.XAVIER'S
CATHOLIC COLLEGE OF ENGINEERING
(Autonomous)
Chunkankadal, Kanyakumari District, Tamil Nadu

Department of Computer Science And Engineering

HOD's MESSAGE

My hearty congratulations to the association for coming out with the newsletter in the EVEN SEMESTER of the academic year 2022-2023. This is a forum for showcasing the technical talents of the students in the department. Wishing all success to the team behind this effort.

P R Sheebha Rani, HoD/CSE

VISITS AND TOURS

North Indian Tour

Educational tours are part and parcel of the life of students. Students need rest and entertainment after working hard for many days . Excursions can provide them solace and help them from an escape route from the tedium of their nerve-wrecking hectic schedule of activities.

OUR VISION

Creating accomplished, innovative, and ethical computer professionals.

OUR MISSION

To provide an environment that promotes professional and personal growth for the students. To provide quality education to the students and train them effectively to solve real-world problems with criticality. To develop a desire in the learners for higher education and research by providing them with exposure, inspiration, and opportunities. To inculcate ethical values and leadership abilities in the young minds to work with passion and commitment for the progress of the society.

Industrial visit

Students of II year CSE department of St Xavier's Catholic college of engineering were taken for an industrial visit to UST Global on 13-02-2023. . It was a great inspiration for all the students, and it changed some of their motives to work in a company like UST Global.

WORKSHOP

Core Java Workshop The national

The resource person for the workshop was Mr. Abington - Business Development Manager and Mr. Palani - .Net developer. The workshop was attended by the third-year Computer Science and Engineering students of our co

National level Technical Symposium

The national level technical symposium has been conducted on 10/03/2023. Totally 150 students participated from other colleges. The events such as paper presentation, debugging , Technical Quiz are conducted. Prizes will be distributed to the winners.

AI and Machine learning

The Association of Computer Engineers (ACE) organized a seminar on "AI and Machine Learning" for second year, Third year and Final year CSE Students on 28/03/2023 at Einstein Seminar Hall from 1:00 PM to 4:15 PM. Totaly , 111 students participated . It was handled by R.Santhose Rajan ,Technical Trainer ,EMAX-Nagercoil.

SEMINAR

Python and Web Development

The Association of Computer Engineers (ACE) organized a seminar on " Python and Web Development " for second year , Third year and Final year CSE Students on 28 / 03 / 2023 at Einstein Seminar Hall from 1:00 PM to 4:15 PM. Tottaly , 110 students participated . It was Handled by M.Saranya , Technical Head , EMAX - Nagercoil.

ROZGAR MELA Awareness for young engineers

Association of Computer Engineers organized an Awareness program on "ROZGAR MELA" on 18/04/2023 at einstein seminar hall for 3rd and IV year CSE students . In this program, totally , 200 students are participated and benefited . It was handled by Mr.Vijayan , Senior English Faculty -ECC Academy and T.Anandha Boopathy / MD-ECCAcademy.

ABOUT ACE

Association of Computer Engineers (ACE) is a professional association drive by Department of Computer Science and Engineering, SXCCE. The staff and students of CSE department are the members of the association. The association is dedicated to expanding the ability of students in the field of Computer Science and Engineering. ACE, since its start has been a hallmark in our college. ACE has always strived to fulfill its motto "Awake, Arise, Achieve".

Cyber Laws and Pocso Act

The Association of Computer Engineers (ACE) organized a seminar on "CYBER LAWS AND POCSO ACT" for second year , Third year and Final year CSE Students on 11/04/2023 at Einstein Seminar Hall from 1:00 PM to 4:15 PM.

Hacking

The Association of Computer Engineers (ACE) organized a seminar on " HACKING" for second year , Third year and Final year CSE Students on 11 / 04 / 2023 at Einstein Seminar Hall from 1 : 00 PM to 4 : 15 PM . Totally , 194 students Participated . It was handled by Er . Febin , Rameh Kanakam,Software Engineer MNC-Chennai

PEOs

1. To enable graduates to pursue higher education and research or have a successful career in industries associated with Computer Science and Engineering, or as entrepreneurs

2. To ensure that graduates will have the ability and attitude to adapt to emerging technological changes.

3.To ensure that the graduates will have strong moral principles, leadership qualities and thus redeem the society.

Competitions

As part of an enrichment programme , ACE conducted a Tech Fest paper, poster presentation, and quiz to improve the technical skills of the students.

Placement Oportunities

The seminar on "Placement Opportunities" for the final year students has been conducted on 19/5/2023 by Association of Computer Engineers. Totally 75 students are participated in this program.
