A National Level Technical Symposium

“CRACKERJACK 2K22”

Report

ELECTROS, the Association of Electronics and Communication Engineering Department of St. Xavier's Catholic College of Engineering, Nagercoil, Tamil Nadu organized a National Level Technical Symposium titled “CRACKERJACK 2K22” on 20th May 2022. The inaugural ceremony of symposium started with the prayer song. Mrs.V.Femila Savio, Faculty Advisor welcomed the gathering. Rev. Fr. Dr. M. Maria William, Correspondent of the institution delivered the presidential address and Dr. J. Maheswaran, Principal felicitated. The Secretary Ms.Steni G. presented the annual report. The Chief Guest Mr.S.Vijay Krishnan, Assistant General Manager/Divisional Engineer, BSNL, Tirunelveli was introduced by Mrs.M.Mary Helta Daisy, HOD, ECE Department. The Chief Guest addressed the gathering with his motivation speech. Then the Alumna Ms.M.Ivana Bhagya, Software Engineer, H & R block, Technopark, Trivandrum was introduced by the Executive member Mr. Shelif M.A. Then the Alumna addressed the gathering by sharing her experiences. The Joint Secretary Ms.Bhoomika R. delivered Vote of Thanks. The function came to an end with College Anthem.

After the function a Technical Talk session on “Ethical Hacking” was handled by the Chief Guest. The session was very informative, interactive and very interesting.

A preliminary for Quiz competition was conducted for other college students after the session. The next event “Paper Presentation” was conducted in two venues: Rock auditorium and Embedded Lab. 15 Batches from other colleges and 6 batches

from intra college participated. Totally 21 papers were presented in both venues. Dr.C.Seldev Christopher, Professor, CSE department and Dr.R.Jemila Rose, Associate Professor, IT department were the judges for the event in the corresponding venues. Based on their judgement First and Second Prizes were announced in both venues.

After the lunch, “Circuit Debugging” was conducted in LIC laboratory. 9 Batches from other colleges and 10 batches from intra college participated. The judges were Ms.B.Benslija, Faculty, Hiltek and Ms.S.Margret Beaula, Faculty, Hiltek. Based on their evaluation First and second prizes were announced.

The next event “Idea Presentation” was conducted in the Rock Auditorium. Three Batches from our college and 5 batches from other colleges participated. This session was judged by Mr.V. Jesus Bobin, Assistant Professor, EEE department. Based on his evaluation First and Second prizes were announced.

A Technical Quiz competition was conducted as the last event. Among 5 batches, four batches were from our department and one batch from other college. It was conducted by II year M.E. students of our department. From the final score of 4 rounds, First and Second Prize winners were announced.

After that, prizes were distributed to all the winners by our HOD. Finally the symposium ended with National Anthem.
