

St. Xavier's Catholic College of Engineering 2020-2021

Guidance for competitive examinations and career counselling offered by the Institution

How to Prepare for InfyTQ

A knowledge sharing program on "How to prepare for INFYTQ" was conducted on 4/03/2021. The resource persons were Ms. M. Akhila and Ms. S. Sanjana. Totally 28 students participated in the program. The students were presented and explained the following topics. Python Variables, Operators, Looping and control statements, Lists, Tuples, Sets and Dictionary, Functions, Global and local variables, Recursion, Lambda functions, Exception handling and regular Expressions. This program was very useful to the students who are interested to learn and willing to get a job.

The poster is for a webinar titled "How to Prepare for InfyTQ". It is organized by BRIGITZ, the Department of Information Technology at St. Xavier's Catholic College of Engineering. The webinar is scheduled for 04th Mar, 2021, from 10AM to 12 Noon (IST). The poster features a large graphic of a house with the text "JOIN US to learn about the methods to succeed in InfyTQ" and a Google Meet link: <https://meet.google.com/bsg-xepn-oox>. It also lists the resource persons: Ms. Akhila M. (Teach. Tech. & Soft. E) and Ms. Sanjana S. (Teach. Tech. & Soft. E). At the bottom, it lists the organizers: Dr. Anitha J. (Head, Department of IT), Er. Varun C.M. (Faculty Advisor, BRIGITZ), and Er. M. Geetha Jenifer (Asst. Department of IT). Contact information for queries is provided as +91 9489825464 and the website www.sxccce.edu.in. The poster also includes accreditation details for the college and a list of social media handles.

GATE - Motivational Talk

The Society of Electrical Engineers (SEE) has organized a motivational talk on GATE 2021 by Er. Rakesh Narayanan for the students of EEE department on 19/09/2020. Er. Rakesh Narayanan is one of the GATE scorers of 2014 batch EEE department of SXCCE. 37 students and 8 staff members attended the program which was conducted online using Google Meet. Students were motivated well for GATE and other competitive examinations.

InfyTQ & Hack with Intsnfy

A training program was conducted for the pre-final year students on 29/08/2020. The training was conducted by Infosys – Campus Connect. The program created awareness to students on INFYTQ platform and how to use it to develop knowledge in Python and also to improve career opportunities. 104 students participated in the training program.

GATE Training

Training on GATE exam is given to willing IT students for all the subjects based on the syllabus by the faculty members.
