Students' Feedback - Action Taken Report

Sl. No.	Feedback	Action Taken
1	CSE we need the college day and college cultural like other colleges.	Conduct of cultural and college day are as per our systems and values.
2	Placement The selection for the students of flowers and buds was not fully fair in my opinion for the 6th semester. But apart from that, the training was provided well and I'm satisfied.	As per their skills, capability and interest, students are splitted and trained so that both are getting more benefitted.
3	Library : LIBRARY PERIOD IS PROVIDED	Each class have a library hour and it is included in the regular time table.
4	Management I kindly request you to change the uniform shawl into coat.	A survey was conducted with girls through HOD's about uniform and majority are in favour of existing churidhar and shawl.
5	We need cultural programs	Fine Arts Day, College Day, and the Symposium are celebrated annually, with the Fine Arts Club actively organizing cultural programs for each occasion.
	kindly allow students to enjoy during college functions and give importance for cultural and also don't call more chief guests to speak more , we are really feeling bored	Permitted within the limits.
	College should provide certain facility for the students those who participate in the competetions...they should be encouraged...college should provide some help financialy & in transport facility...	Permitted in case of deserved cases.
	looks old , programs and events can be conducted according to the new trend as in Rohini college and other great institutions . With such facilities our college can be a great one in kanyakumari district.	As per their taste and interest. Students only decide and we are not compelling.
6	Cells Please arrange the meeting at class time.Because we are from long distance,so there is no bus facilities in our city.We are so happy to be the part of eco-club.But due to the time scheduling of your's we are not able to attend the meeting.So kindly accept our suggestion	Exclusively cell activities are busy held during Saturdays.

	our suggestion	
7	Canteen canteen facility is not good the food is not tasty need improvement in taste they taking more time to supply the food	The canteen manager has been instructed to enhance the quality of the meals. Measures are being implemented to offer better-quality food, and the updated costs have been documented.
8	Sports we want sports period atleast once a week as it can improve our sports skills and a break from our normal lecture sessions	Evening sports activities are available, with special training sessions and camps being organized. A period for sports is included in the first-year timetable. Daily practice sessions are held from 4:30 PM to 6:00 PM.
