University Nominee for BoS

1. Dr. T.V. Siva Subramania Pillai, Head, Department of Physics, University College of Engineering, Nagercoil.

Expert Members in the Subject from outside the college

Prof. Dr. S. Monikandan, Manonmaniam Sundaranar University, Tirunelveli.

Principal Dr.J.Maheswaran launched a discussion for refining the existing I-year UG curriculum for the impending Regulation-2026. Dr. T.V. Siva Subramania Pillai, the University's nominee, suggested adopting a Minor project for first-year students during the second semester. This will assist students comprehend the project-planning process and will benefit them in later semesters. He also proposed selecting three or four brilliant and eager students from each class (for a total of about 40 students) and taking them to visit eminent scientists from major R&D institutes. This will spark their interest in research.

Dr. S. Monikandan, an academic authority, advised including Matlab into the first-year curriculum. He offered that the mathematics theory paper be transformed into a TCP course or that Matlab be incorporated as a module to Python Lab. He also suggested taking them to organizations such as VSSC, Kudunkulam Nuclear Plant, and ISRO to get them motivated.

Principal Dr.J.Maheswaran requested that the HoDs and faculty devise a strategy for adopting the experts recommendations.
