Student Affairs Committee Meeting- VIII, 2025-2026

Date: 30/04/2026 Time: 11.30 a.m. - 1.30 p.m.
Venue: Board Room
Members Present: enclosed

Agenda

1. To consider the minutes of previous meeting and action taken
2. To review the activities conducted in Even semester 2025-'26
3. Other matters

1. Minutes and Action taken for the meeting dated 18-11-'2025

Sl No	Discussion	Action taken
1	Activities Report - Odd semester of 2025-'26: The activities conducted by each cell are presented by the in-charges. All the members were instructed to send a soft copy of the report along with photos to the Principal. And also instructed to send photos and short videos for posting it in social media.	All members submitted the soft copy of the reports to the Principal. And also sent the same to the website in-charge for posting it in social media.
2	It is suggested to include option for entering alumni details in the Program Conducted menu of our college automation software, in addition to the existing resource person details.	In process
3	It is recommended that the IIC Coordinator showcase students' product or models through the start-up cell during Kumari Fest or Tech Fest.	Planned to be implemented
4	Since government scholarships are recorded in the college office, it is suggested to keep a register in the Principal's office to enter the details of students who apply for scholarships on their own.	Implemented
5	It is suggested to arrange a meeting for Vicariate quota students and SXMSE beneficiaries from the first year.	Conducted (20-04-20256)
6	It is suggested to conduct medical camps for students through the Student Welfare Cell.	In process with health care cell
7	It is informed that the Sports Council meeting should be conducted once in a semester, with the presence of Correspondent and the Principal.	Conducted (08-09-2025 &21-02-2026)
8	It is suggested that the Placement Cell make the criteria for Blossom, Floret and Flowers selection transparent.	Implemented

9	It is recommended that the necessary modifications be done in the college automation software to enable entries such as students' choice filling for participation in professional and non-professional cell, approval process by the Mentor and HoD, name list generation in the Faculty Advisor login, attendance entry by the faculty advisors.	In process

2. Students activities - Even semester of 2025-'26:

- The activities conducted by the NCC and student achievements were presented by Dr. S. Edwin Gladson, and are enclosed as Annexure 1.
- The activities conducted by the NSS were presented by Mr. L.G.X Agnel Livingston, and are enclosed as Annexure 2.
- The detailed report of placement trainings conducted for students and the placement drives organized by the Placement Cell was presented by Mrs Arjuna, and is enclosed as Annexure 3.
- The student achievements in sports were presented by Mr. Raja and are enclosed as Annexure 4.
- The events and activities organized by IIC, MSME, Start-up, Hackathon and YUVA as well as the student achievements, were presented by Dr. T.S. Sheela Shiney, and are enclosed as Annexure 5.
- The various events of EDC conducted during the even semester were presented by Dr. T.Michael Raj and the report is enclosed as Annexure 6.
- The Student Welfare Cell activities were presented by Mrs. S.Jasmine Suguna, and are enclosed as Annexure 7.
- The overall report of the activities conducted by professional and non-professional cells, service bodies, the alumni contributions to the event conducted, and the MoUs signed in the even semester of the academic year 2025-'26 was presented by Dr. V. Christus Jeya Singh, VP & Dean / Student Affairs, and is enclosed as Annexure 8.

A detailed discussion on each report was carried out. All members were instructed to send a soft copy of their report along with photographs to the Principal. The Principal congratulated and appreciated all the cell in-charges for their contributions and the efforts taken to conduct the activities.

3. Other matters:

- **NCC & NSS:** It is suggested to prepare a poster also a 1 or 2 minute's video of the current academic year 2025-26 NCC & NSS activities and shared in the college official social media pages.
- **Placement:** It is informed that there will be a discussion in the Deans meeting regarding the categories of students groups (Floret, Flowers & Blossom) for placement training, which has a question in the PTA meeting.
- **Sports:** It is suggested to conduct one week / 10 days summer camps like Football, Volleyball, Basketball and Badminton to school students at our campus.
- **IIC:** It is suggested to incorporate R & D activities in the future presentations.
- **EDC:** The subcommittee asked to encourage the students to submit their ideas and make them to actively participate in hackathons. Also advised to apply for seed funding to support product development. Students one who wishes to start ventures in the campus, basic furniture and work space can be provided in their respective laboratories.
- While including option for entering Resource persons / alumni details in the *Program Conducted* menu of our college automation software, it is suggested that to add more

options (if more than one alumni attends the program) in addition to the existing resource person details.

- All the scholarship details (both Registered and benefited) has to be documented.
- It is suggested to conduct medical camps for the students by Student Welfare Cell, Health care club and NSS in association with St. Xavier's Medical College.

The Principal thanked all the members, and the meeting concluded at 1.30 p.m.

National Cadet Corps

NCC Report: 2025-2026 (December 2025 to April 2026)

National Cadet Corps aims to create leadership qualities, camaraderie and team spirit among cadets. Cadets also participate in cleanliness, environment conservation, community service and social welfare activities.

Camps attended

SSB Capsule (Super 30)

SSB Capsule is being organized by DG NCC at Directorate level as part of Training Curriculum in grooming of cadets' development of leadership traits and personality. Our cadet CUO Sobin got selected and attended the CATC cum SSB Coaching Capsule (Super 30) held at NCC Group HQ, Puducherry from 03-01-2026 to 12-01-2026. This camp was conducted by 1(P) Naval Unit NCC, Puducherry. He is one among the thirty cadets from TN, P and AN Directorate. Cadets were given training about the stages involved in SSB interview and how to clear it successfully.

Army Attachment Camp

Aim of Army Attachment camps is to expose selected Senior Division / Senior Wing cadets to Armed Forces environment to give a feel of Military Training. Our cadet L/Cpl Hari Raghesh attended Army Attachment Camp conducted at Madras Regimental Centre, Wellington from 08 Dec to 19 Dec 2025. These cadets were exposed to Regular Indian Army training & routine.

Ek Bharat Shreshtha Bharat (EBSB) Camp

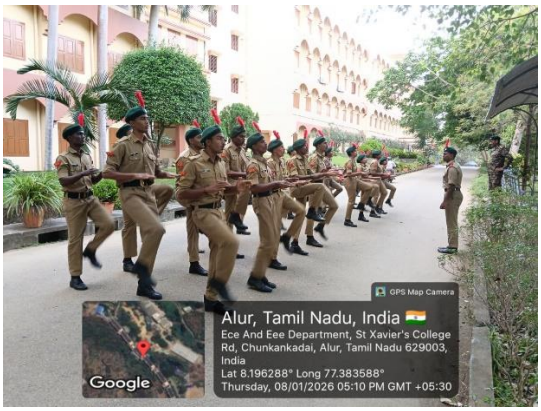

Ek Bharat Shreshtha Bharat (EBSB) Camp II was conducted from 19-01-2026 to 30-01-2026 at NTA, Idayapatti. In this camp Tamil Nadu Directorate was paired with Maharashtra Directorate. Cadets exchanged the knowledge of cultural heritage, history, social customs, traditions and language of both states. Our cadets L/Cpl Ram Gopal T, Berlin George G, A Fathima Rayyan and Adlin M participated in this camp.

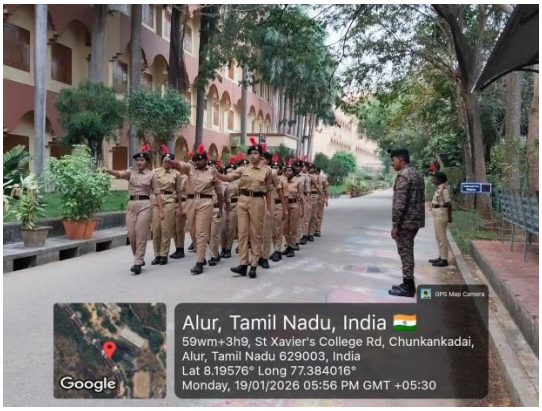

Parades

As per the training schedule approved by 11 (TN) BN NCC, Nagercoil, parades were conducted to our cadets on 8-1-26, 12-1-26, 19-1-26, 20-1-26, 21-1-26, 30-1-26, 31-1-26, 2-2-26, 3-2-26 and 4-2-26. Our cadets were trained in NCC subjects during these parades. This training will be useful for the cadets for B & C certificate examinations. Cadets were also trained in drill and other physical training.

Cadets on Social Activities

Blood Donation

In order to encourage our students to donate blood, a blood donation camp was conducted on 17-03-2026 at Conference Hall. Nearly one hundred and fifty students including twenty NCC cadets, donated blood. Dr Rakesh, Medical Officer, Blood Bank, Kanya Kumari Medical College Hospital, Nagercoil, and his team conducted the camp.

Pongal celebration

On 15-01-26, twelve cadets and the ANO participated in the Pongal celebrations at Ambedkar colony and conducted sports for the children along with Tamil Mantram. Cadets got a chance to mingle with the villagers and acquired social awareness.

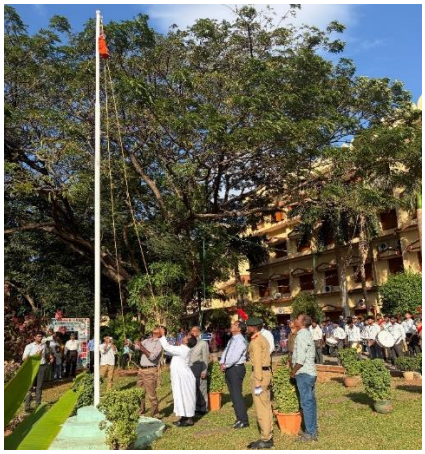

Cadets on celebrations

Republic Day Celebrations

Republic Day was celebrated in our college premises on and 26th January 2026. Our Correspondent Rev Fr S Godwin Selva Justus unfurled the National Flag and presided over the function. Our Principal Dr.J.Maheswaran and Vice Principal Dr V Christus Jeyasingh were also present. Our NCC cadets performed March past. During the program certificates and prizes were distributed for the deserved cadets.

Our cadets participated in the Republic day parade at 11 (TN) BN NCC, Nagercoil Administrative Officer Lt Col S S Yadav unfurled the National Flag.

Five cadets of our college represented 11 (TN) BN NCC and performed march past in the Republic day celebrations conducted by the Kanyakumari District administration at Anna Stadium, Nagercoil. Mrs R Alagumeena IAS, District Collector, Kanyakumari and Mr R Stalin IPS Superintendent of Police, Kanyakumari were the chief guests.

NCC Day celebration

NCC Day was celebrated on 08-04-2026 in our college. Senior Under Officer John Jins J welcomed the gathering. ANO Maj S Edwin Gladson presented the report of NCC activities for the academic year 2025-2026. Lt Col Surinder Singh Yadav, Administrative Officer, 11 (TN) BN, NCC, Nagercoil, was the Chief Guest of the function. During his address, he appreciated the cadets for their good performance. Correspondent Rev Fr S Godwin Selva Justus delivered the

presidential address. Principal Dr J Maheshwaran gave a special address, Rev Fr R Xavier Raj, Financial Administrator, and Dr V Christus Jeyasingh, Vice Principal felicitated the gathering. During the function prizes were distributed to the deserved cadets. Cultural events are also performed by the cadets. CUO Ashmi S proposed the vote of thanks. Sub Sivanesan, Training JCO, 11 (TN) BN NCC, Nagercoil, and Dr N Sheen Kumar, AHoD, Department of Humanities & Sciences were also present during the function. Arrangements were done by the cadets.

Other activities

Volunteers

Our cadets acted as volunteers in the Sports day, Fine arts day and College day functions of our college.

‘B’ Certificate Exam Training Program

NCC unit conducted training to the cadets appearing for the ‘B’ certificate exam in our college on 7-2-26 and 8-2-26. Under the guidance of Lt Col Sujit S Unni, Officer Commanding and Lt Col S S Yadav Administrative Officer, 11 (TN) BN NCC, Nagercoil the Training was conducted. Nearly 270 cadets from 17 institutions of our district (including 29 from our college) participated in the training and got benefited. Sub Maj Rajesh Kumar along with Sub Sivanesan, the Training JCO and a team of PI staff conducted the training. With the help of our management, arrangements were done by the ANO and the cadets of our college.

‘B’ & ‘C’ Certificate Examinations

Our cadets attended the C certificate exam special training sessions conducted by 11 (TN) BN NCC at Pioneer Kumarasamy College, Nagercoil on 10-01-2026 and 11-01-2026 and got benefited. Thirty five cadets (25 SD and 10 SW cadets) cleared ‘C’ certificate examination and twenty nine cadets (19 SD and 10 SW cadets) cleared the ‘B’ certificate examination held during 2025-2026.

Cadets achievements

Our Ex Cadet Sherjin Sam was recommended by the Coast Guard Selection board, Noida for the prestigious Indian Coast Guard Assistant Commandant Entry.

CUO R L Sobin attended SSB Capsule (Super 30) held at NCC Group HQ, Puducherry as one among the thirty cadets from TN, P and AN Directorate.

Tamil Nadu Government scholarship

Our cadets, CUO R L Sobin and CUO Stephan Raj got the Tamil Nadu Government scholarship for their outstanding performance in NCC. These cadets got an amount of Rs 5000 each.

Cadet Welfare Society Scholarship

Every year Cadet Welfare Society is awarding scholarship to NCC cadets for their excellence in academics and NCC activities. This year three of our cadets, CUO R L Sobin, CUO Ashmi S and Sgt Abina J V received Rs 6000 each as Cadet Welfare Scholarship for their outstanding performance. Cadets were appreciated by Lt Col Sujit S Unni, Officer Commanding, 11 (TN) BN NCC, Nagercoil.

Best cadet award

Our cadet CUO R L Sobin got the Best cadet award and a cash prize of Rs 4500 which we are receiving for the first time.

Maj. S. Edwin Gladson

Associate NCC Officer

NATIONAL SERVICE SCHEME

Students Affairs Committee Meeting (30-04-2026)

NSS Events Conducted during 2025-2026 (EVEN)

1. TRAINING FACT CHECK ORIENTATION PROGRAMME @ CHENNAI (08.12.2025)

A One Day Workshop for NSS Programme Officers on "Sensitization Against Digital Media Addiction (Information Literacy and Cyber Safety)" was successfully conducted on 08th December 2025 at F-50 Hall, First Floor, University of Madras, Chepauk, Chennai – 600 005.

The workshop aimed to create awareness among NSS Programme Officers about the growing concerns of digital media addiction and to equip them with knowledge on information literacy and cyber safety. The programme emphasized the importance of responsible digital behavior, critical evaluation of online information, and safe usage of digital platforms.

The workshop was attended by NSS Programme Officers from various institutions. Mr. L. G. X. Agnel Livingston, NSS Programme Officer of our institution, actively participated in the training programme and gained valuable insights from the sessions.

The programme covered key topics such as identifying misinformation and fake news, understanding the impact of excessive digital media usage, promoting scientific temper, and adopting best practices for cyber safety. The sessions were interactive and included real-life examples and practical guidelines. Participants were encouraged to disseminate the knowledge gained to students and the community through NSS activities, thereby contributing to the development of a digitally responsible society.

The workshop was well-organized and received positive feedback from the participants. It successfully achieved its objective of sensitizing NSS Programme Officers towards digital media addiction and enhancing their capacity to promote information literacy and cyber safety.

2. PONGAL CELEBRATION (15.01.2026)

Our college NSS unit celebrated the 2026 pongal celebration on 15.01.2026 in Ambedkar Colony in association with Tamil Mantram, Outreach cell and NCC. The Pongal celebration began at 2:15pm with the sports event. Our Correspondent Rev.Fr. Godwin Selva Justus and our Principal Dr. J. Maheswaran facilitated the gathering. The prizes were distributed for the sport events, and the entertainment programs. The celebrations ended with sweet memories. The participation of our students was around 40 and the people of Ambedkar Nagar were around 350.

3. KUMARI FESTIVAL (22.01.2026 – 24.01.2026)

The three-day event called “Kumari Fest" was conducted on the premises of St. Xavier's Catholic College of Engineering from 22/01/2026 to 24/01/2026. The event showcased the pronounced cultural heritage of our Kanyakumari district. In this event, the NSS volunteers of St. Xavier's Catholic College of Engineering involved themselves in organizing the event smoothly and properly. The volunteers extended their work in guiding the people to stalls, organizing the parking of vehicles, organizing the events taking place in the auditorium and the outdoors, arranging refreshments for the event guests and more. The three days were successfully organized, and the volunteers had done their best to make the event successful.

4. REPUBLIC DAY CELEBRATIONS (26.01.2026)

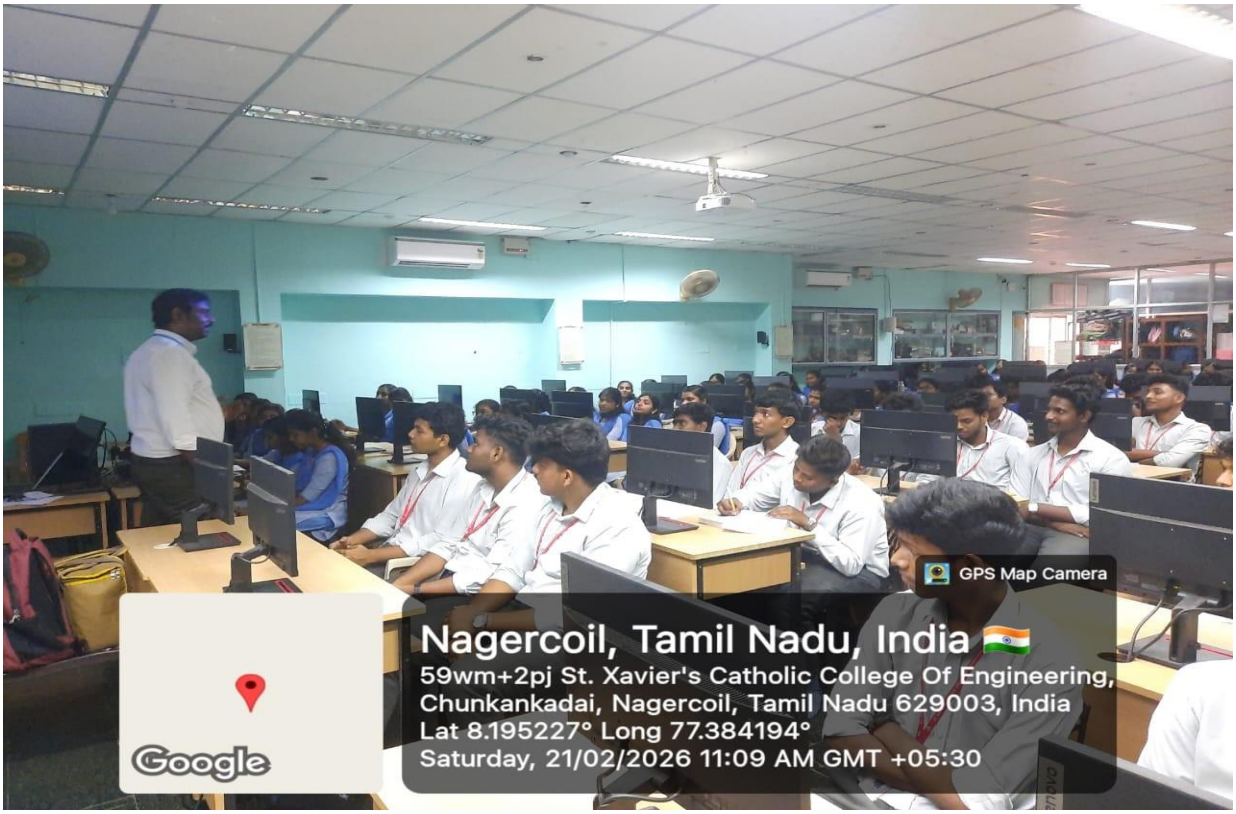

On the occasion of our country’s 77th Republic Day, the NSS Unit, in collaboration with the NCC and YRC Units, organized a Republic Day celebration at our college on 26.01.2026. The event began with a flag hoisting ceremony, led by our Correspondent, Rev. Fr. S. Godwin Selva Justus, followed by the Republic Day address from our Principal, Dr. J Maheshwaran. Around 40 NSS volunteers actively participated in the celebration. The program began with a welcome dance performed by the Fine Arts Club, setting a patriotic tone for the celebration. This was followed by a patriotic song, beautifully sung by the students, evoking a sense of unity and pride. Certificates of appreciation were awarded to the volunteers and performance for their dedication and efforts. Finally, the event concluded with the National Anthem.

5. FACT CHECK SENSITIZING PROGRAMME (21.02.2026)

A training programme was successfully conducted on 21.02.2026 at St. Xavier's Catholic College of Engineering. The programme was organized with the objective of enhancing awareness and knowledge among participants on key contemporary issues such as information literacy, fake news identification, hate speech awareness, social justice, scientific temper, and cyber safety.

The training session was delivered by the NSS Programme Officer of the institution, Mr. L. G. X. Agnel Livingston, who provided valuable insights and guidance throughout the programme. His session effectively highlighted the importance of responsible information sharing and the role of youth in combating misinformation in society.

The programme content offered structured knowledge on identifying misinformation, understanding disinformation, and promoting ethical digital practices. Emphasis was placed on developing critical thinking skills and fostering awareness about the impact of fake news in the digital era. Participants, including students and faculty members, actively engaged in the programme. Key topics such as types of false information (misinformation, disinformation, and misleading information), impacts of fake news, and methods to identify and counter such content were discussed comprehensively. The session also covered constitutional values like secularism and social justice, along with the importance of cultivating a scientific temper.

Interactive discussions and real-life examples enhanced participant understanding. The cyber safety segment provided practical guidance on secure online behavior, including strong password practices, safe browsing, and precautions while using digital platforms.

The programme was well-received by the participants, who appreciated the informative and practical nature of the session. It played a significant role in promoting awareness about responsible digital citizenship and societal responsibility. In conclusion, the training programme successfully achieved its objectives and served as an effective platform for educating participants on critical aspects of digital literacy and informed decision-making.

6. SOCIAL JUSTICE AND HUMAN RIGHTS 16.03.2026

An awareness programme on social justice and human rights was held on 16.03.2026 at Einstein seminar hall of our institution for the students in association with the Tamilnadu Police department. The head of the institution our respected principal Dr. J. Maheshwaran presided and delivered the speech regarding the social justice and human rights. The officials from Tamilnadu police gave awareness talk to our students regarding the citizen rights of our country.

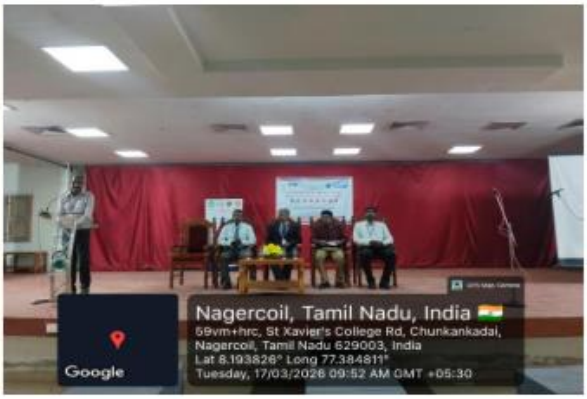

7. BLOOD DONATION CAMP 17.03.2026

The NSS, YRC and NCC units of our institution organized a blood donation camp in collaboration with the Gov. Medical College Hospital, Asaripallam on 17.03.2026 to create awareness blood donation and significance of knowing the importance of human life. The blood donation programme commenced with a Prayer Song rendered by the Volunteers, invoking blessings for the successful conduct of the event. The presidential address was given by Dr. J. Maheswaran, Principal, SXCCE, highlighting the importance of social responsibility and the noble act of blood donation. The Special Address was delivered by the Chief Guest, Dr. M. K. Rakesh, Blood Bank Medical Officer, who emphasized the medical significance of blood donation and motivated the students to actively participate in such humanitarian services. This was followed by the Felicitation of Dr. V. Christus Jeyasingh, Vice Principal, SXCCE, in recognition of his constant support and encouragement. The programme concluded with the Vote of Thanks expressing gratitude to all dignitaries, donors, organizers, and volunteers. The event ended with the National Anthem.

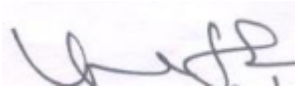

8. SPECIAL CAMP 2026 (23.03.2026 to 29.03.2026)

A special camp for the year 2025-26 was conducted from 23-03-2026 to 29-03-2026 in the 'Vellicode' village, Kanyakumari District. Around 100 NSS volunteers attended and performed NSS activities. Our Correspondent Rev. Fr. S. Godwin Selva Justus and Principal Dr. J. Maheshwaran inaugurated this programme. The NSS Volunteers actively participated in all the events individually and also as a group, thus improving their social and cultural skills. Several resource persons from various fields visited the camp and educate the students. Students actively participated in various activities such as cleaning the village, house visits, school students interaction, separate medical camp for NSS volunteers itself and the village people, Village Energy Audit, etc

[****Separate report attached]

9. TAMILNADU STATE ASSEMBLY ELECTION 2026 MOTIVATIONAL PROGRAMME AND VOTERS PLEDGE (16.04.2026)

In view of the Tamilnadu State Assembly Election 2026, we arrange a motivational programme through the PA system of our institution held on 16/04/2026 (Thursday) at 9:00am.. The head of the institution Dr. J. Maheshwaran presided and delivered the motivational speech regarding the awareness of voting. All the students of our institution were participated. And also a pledge regarding the voting was also taken by all the students, faculties and staff.

L. G. X. AGNEL LIVINGSTON

NSS Programme Officer

Annexure 3

Training and Placement Cell – SXCCE

Report on Even Semester Activities (2025-2026)

During the months from January to April 2026, the **Training and Placement Cell** demonstrated consistent efforts in enhancing student employability through a blend of training initiatives, industry interactions, and successful placement drives.

In January, programs such as the **Salesforce Developer Training** and the **Blossoms Training** Program provided hands-on technical exposure and strengthened problem-solving skills through platforms like LeetCode. The month also witnessed a wide range of placement opportunities through both on-campus and off-campus drives, reflecting strong industry engagement and diverse career avenues for students. **Pinnacle Info Tech Solutions** conducted an on-campus recruitment drive on 20-01-2026, during which **17 students** were successfully placed with an offered package of **₹3 LPA**, marking a promising start to the placement season. On **20-01-2026 and 21-01-2026**, an off-campus drive was organized by **HMV Engineering** at their Bangalore office, providing students with exposure to external recruitment environments and broadening their professional reach.

Further strengthening the placement outcomes, **Conserve Solutions** conducted its recruitment process on **21-01-2026**, where **one student** secured a placement through off-campus efforts, highlighting individual initiative and preparedness. **Vaken Technologies** followed with a recruitment drive on **23-01-2026**, selecting one student for the role of Software Trainee Engineer with an attractive package of **₹4 LPA**, showcasing opportunities in the software domain.

A major highlight of the month was the **Kumari Fest Job Fair** held on **24-01-2026**, which served as a large-scale recruitment platform connecting numerous reputed companies with aspiring candidates. The event attracted participation from a wide range of industries and provided students with multiple job opportunities under one roof. It concluded with an impressive outcome of **215 candidates** being successfully placed across various roles, making it one of the most impactful placement events of the month and significantly contributing to the overall placement success.

Over the span of February, the institution's in-house learning and placement initiatives reflected a well-coordinated effort to enhance both technical competencies and career readiness among students. The **Blossoms Training Program** was conducted consistently on Thursdays and Fridays for second- and third-year students, benefiting **205 participants** through intensive hands-on coding practice using platforms like LeetCode, thereby strengthening their logical thinking and problem-solving abilities. For final-year students, focused career preparation was delivered through the **"Final Year to First Job"** series, which included an Interview Skills Training Program on **18-02-2026**. This session benefited **14 students** by offering practical insights, mock interview exposure, and personalized feedback to improve their performance in real recruitment scenarios. Complementing this, an Exclusive Placement Practice Test was organized on 24-02-2026 for **25 students** preparing for **TCS recruitment**, helping them gain familiarity with the exam pattern and boosting their confidence.

In addition to technical and placement-focused training, global skill development was encouraged through an external **German Language A1–A2 Certification Programme**, initiated on **02-02-2026** by Bryan's Academy. The program enrolled **33 students** in **A1 level and 6 in A2 level**, focusing on enhancing reading, writing, listening, and speaking skills to expand international career opportunities. The first phase of this training was successfully completed by **17-04-2026**. Motivational and industry-oriented sessions also played a key role during the month. A session titled "**Igniting Young Minds**," delivered by **R. Cyril Xavier**, Retired General Manager of BSNL, engaged 230 second-year students with insights on goal setting, time management, and adaptability. Additionally, **a Corporate Connect Session** with **MP Integrated Roofing Pvt. Ltd.** provided **24 third-year Civil Engineering students** with valuable exposure to real-world industry practices and expectations.

Parallel to these training initiatives, the Placement Cell actively facilitated numerous campus recruitment drives, resulting in significant placement achievements. **Data Patterns (India) Pvt**. Ltd. participated in a drive on **06-02-2026**, offering diverse roles across technical and non-technical domains with competitive salary packages. **Dotnix Solutions** conducted its drive on **09-02-2026**, selecting **7 candidates**, while **Mafiree Ltd**., led by the institution's chief guest, organized a drive on 11-02-2026 and recruited **2 students**. **RFIS**, a cybersecurity company, conducted its recruitment process on **12-02-2026 and 13-02-2026**, selecting **5 candidates,** followed by Zynerd on **17-02-2026**, which resulted in **7 successful placements**. One of the most notable achievements of the month came on **19-02-2026**, when **Transenergy,** Chennai (TVS Group), made **49 selections**, marking one of the highest recruitment counts. **Ashok Leyland**, **Hosur**, conducted a drive on **23-02-2026** offering Graduate Apprentice Trainee roles, where **15 students** secured placements and 8 students obtained internships with a stipend of **₹15,000 per month**, contributing to a total of **33 selections** across roles. The month concluded with a drive by **MP Integrated Roofing Pvt**. Ltd. on **24-02-2026**, where **4 students** were successfully placed. Overall, February stood out as a highly productive month, combining structured training, skill enhancement, and strong placement outcomes.

During **March 2026**, the Training and Placement Cell sustained its progressive momentum by implementing a well-rounded blend of technical training, soft skills development, and recruitment activities. Under the Blossoms initiative, intensive training sessions were conducted for second- and third-year students on a regular schedule, focusing on programming fundamentals, logical reasoning, and problem-solving through hands-on practice using platforms like LeetCode. These sessions significantly contributed to strengthening students' core technical competencies and preparing them for placement assessments.

In parallel, a two-day soft skills development program titled **"Campus to Corporate – Employability Skills"** was organized on **02-03-2026 & 03-03-2026** for third-year students. Delivered by professional trainers from **Maya Skill Hub and Smart Training**, the sessions emphasized communication skills, teamwork, adaptability, and workplace etiquette through interactive and activity-based learning. Further enhancing company-specific preparedness, the **"Path to TCS"** program was conducted on multiple days with multiple sessions focusing on exam patterns, aptitude practice, and mock tests, thereby improving students' confidence and readiness for recruitment processes.

Academic and communication excellence were also addressed through a Business Communication Assessment training conducted on **06-03-2026** by Dr. James Ligorius for examiners, followed by a structured three-day business speaking test across various departments. Additionally, the **"Pathway to Placement Success Series"** held on 20-03-2026 and **31-03-2026** targeted Blossoms students with focused sessions on aptitude, coding, and soft skills, benefiting **43 participants**. A major student engagement highlight was the "**Tech Mindz: Think, Code,**

Innovate" competition conducted on **24-03-2026 and 30-03-2026** which saw the active participation of **460 students** across multiple programs in verbal, aptitude, and coding challenges, fostering a competitive and skill-oriented learning environment.

Alongside training initiatives, placement activities remained robust throughout the month. **Green Tech Mega Watt Pvt. Ltd**. conducted an online recruitment drive on 4th March, resulting in 22 students securing placements. The **Goan Institute International Consociation of Education (GICE)** organized an on-campus drive on **5-03-2026**, roles such as Soft Skills Trainer, through which 24 students were successfully placed. Digital Logiciel Solutions Pvt. Ltd. carried out its recruitment process on **26-03-2026 and 27-03-2026**, leading to **20 student placements**. Additionally, **Sakura Auto Parts India Pvt. Ltd**. conducted a pool campus drive on 25-03-2026, where **23 students** were placed successfully. Overall, March was marked by a strategic integration of skill development initiatives and successful recruitment drives, contributing significantly to enhancing students' employability and placement outcomes.

In April, the placement cell sustained its success with major recruitment drives. **Texmo** Industries conducted a drive on **07-04-2026**, placing **45 students**, followed by **LGB's drive** on **08-04-2026**, where **41 students** secured placements. Overall, the four-month period reflects a well-structured and impactful approach by the Training and Placement Cell, combining continuous training, industry collaboration, and strong placement performance to prepare students for successful careers.

M. Anto Xavier Roche,
Dean – SFS.

St Xavier's Catholic College of Engineering

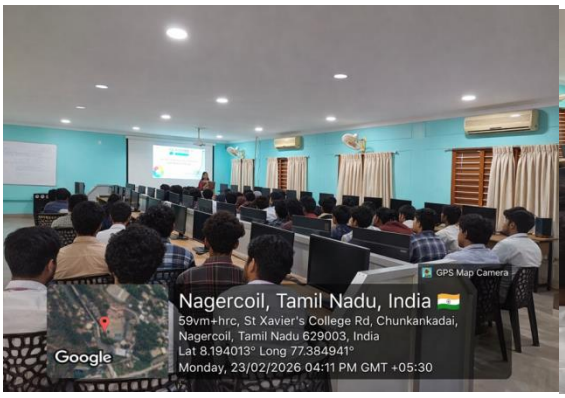

Institution's Innovation Council Report-II 2025-2026 Even

Institution's Innovation Council of St Xavier's Catholic College of Engineering organized a seminar on "AI & Industry 4.0 Tools for Innovators and Entrepreneurs" on 16.02.2026. The session was led by Mr. Geo MS UI/UX Architect EY, Trivandrum, India. A total of 63 students and 2 faculty members participated in the event.

Institution's Innovation Council of St Xavier's Catholic College of Engineering organized a workshop on Design Thinking, Critical Thinking and Innovation Design on 23/02/2026 .The sessions were handled by Dr. J. Annrose, Associate Professor and Dean – IQAC at St. Xavier's Catholic College of Engineering. A total of 72 participants attended the workshop and actively engaged in the sessions. The program was informative and helped participants gain valuable insights into innovation and problem-solving techniques.

The Institution's Innovation Council (IIC) of St. Xavier's Catholic College of Engineering organized a seminar on the occasion of National Educational Day on 16th February 2026 at the EEE Seminar Hall. The seminar on the theme "Role of Digital Technology in Promoting Educational Innovation and Entrepreneurship" was delivered by Dr. S. Arumuga Perumal, Director, Riyasaa Labs and Distinguished Professor of Computer Science and Research, Crown University Intl Chartered Inc., USA. A total of 54 participants attended the workshop and actively engaged in the sessions.

The Institution's Innovation Council (IIC) of St. Xavier's Catholic College of Engineering organized a seminar on "From Idea to Real Opportunity: Startup Idea Validation for Future Founders" was organized on 18 February 2026. The session was conducted by J. Darwin, AI Engineer at Hustleloom Innovations and a proud alumnus of the Department of Computer Science and Engineering of our college.A total of 93 students participated in the seminar. The program was informative and inspiring, providing students with practical guidance on startup development, innovation, and entrepreneurial thinking**.** The session successfully motivated students to explore new opportunities in the field of technology and startups.

In view of National Pollution Control Day ,the IIC of sxcce organized a seminar on "Pollution Disaster in India and its Mitigation - An Innovative Approach" .The program was led by Dr. P. Antony Vimal, Assistant Professor ,,Department of Civil Engineering, on 12 March 2026. The seminar covered the genesis of emerging problems, the current crisis, recent industrial accidents and their pollution impacts, as well as innovative solutions and policies. A total of 45 students attended the seminar. To make the session more interactive, a quiz based on the seminar content was conducted at the end. Students provided positive feedback.

The Institution's Innovation Council (IIC) of St. Xavier's Catholic College of Engineering organized a seminar on Small Budget Big Dreams: Marketing Challenges of Start-ups on 24.2.2026. The seminar was delivered by Ms. Dharshini, Founder Akshaya Photography. A total of 75 participants and two faculty attended the workshop and actively engaged in the sessions.

The startup cell in association with IIC organized a Workshop on "Effective Sales and Marketing Strategies for Start-ups Inspiring Motivational Talk"on 11/02/2026.This workshop was designed to is designed to equip aspiring entrepreneurs and student innovators with the practical knowledge, tools, and techniques required to successfully promote their products and services in today's competitive business environment. The resource person, Mrs. V. Sancahana, CEO of Fyouture Mindz Academy and Director of Project Keen Axis, conducted interactive sessions and real-world case studies, providing insights on identifying target customers, crafting compelling value propositions, designing effective marketing plans, and building sustainable sales pipelines. 81 students and 3 faculty members participated in the event

The startup cell in association with IIC organized a Workshop on “Financial Fitness to Startup Success: Building Wealth from Campus to” on 24/03/2026.The session aimed to equip aspiring student entrepreneurs with essential financial knowledge and practical strategies to strengthen their startup journey. The workshop was led by Dr. Sharan Kumar Shetty, who serves as a Distinguished Adjunct Professor at GlobalNXT University. 80 students and 3 faculty members actively interacted with the resource person, clarifying their doubts and gaining valuable insights. The session proved highly enriching, motivating participants to confidently transform their ideas from campus to company.

CII-Yi-Yuva, in collaboration with the IIC, organized a Workshop on “AI & Innovation Sprints: Rapid Prototyping for Digital Transformation” was conducted by Mr. Saravana Prasad, Software Developer at EKADD Technologies, Nagercoil, on 21st February 2026. The workshop provided hands-on exposure to AI-driven innovation and rapid prototyping techniques. A total of 51 students and 1 faculty member participated in the event.

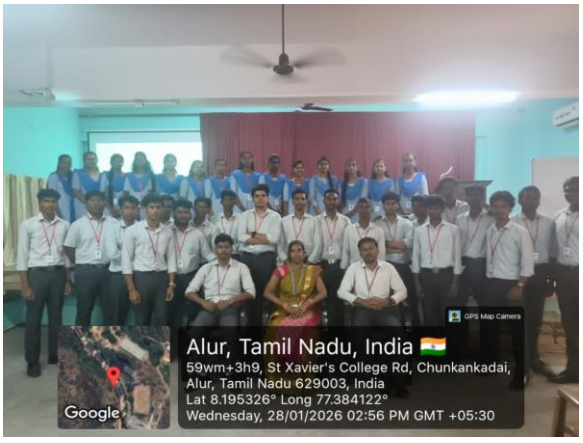

Finally the CII-Yi-Yuva, in collaboration with the IIC, organized a seminar on “Protecting Intellectual Property Rights (IPR) and IP Management for Startups” on 22.04.2026. The session was led by Dr. Sujin Jose Arul, Associate Professor of New Horizon College of engineering, Bangalore. A total of 54 students and 1 faculty member participated in the event.

The Hackathon Cell of St. Xavier's Catholic College of Engineering successfully conducted the Design to Prototype Bootcamp on 28th January 2026 at the Einstein Seminar Hall. A total of 36 first-year students participated enthusiastically in this beginner-friendly hands-on session. The bootcamp focused on design thinking, team-based learning, and the basics of development and prototyping. Participants gained valuable exposure to the hackathon ecosystem and learned how to transform ideas into workable prototypes. The sessions were led by Mr. A. Ebin and Mr. S. Akash Roshan, whose interactive approach received excellent feedback. The event successfully inspired and encouraged young innovators to take their first step into innovation and problem-solving.

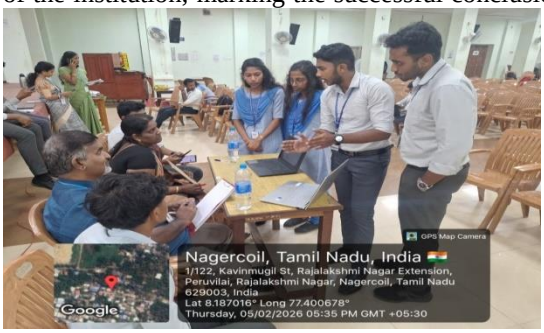

NeuraX'26, an 8-hour intra-college technical hackathon organized by the Hackathon Cell, St. Xavier's Catholic College of Engineering, was successfully conducted on 5 February 2026 at the Conference Hall. The event witnessed the participation of 30 teams competing through three rounds, with the top 10 teams advancing to the final round. Cash prizes were awarded to the top five teams for their innovative solutions. The program commenced with an inaugural address by Dr. J. Annrose, Dean – IQAC, followed by problem statement releases and periodic evaluations. The hackathon was evaluated by Dr. C. Seldev Christopher, Professor (CSE), and Dr. C. Renit, Assistant Professor (ECE). The valedictory function was graced by the Correspondent, Principal, and Vice Principal

of the institution, marking the successful conclusion of the event.

HackFest 2026, organized by the Hackathon Cell of St. Xavier's Catholic College of Engineering on 09.03.2026 and 11.03.2026, was a successful two-day intra-college technical hackathon promoting innovation and teamwork. The event began with an Idea-thon where teams presented solutions to real-world problems, and the top 21 teams were shortlisted. On Day 2, these teams participated in a 6-hour hackathon to develop functional prototypes. The students showcased excellent technical skills, creativity, and collaboration throughout the event. Cash prizes and certificates were awarded to the winners and participants. 350 students (92 teams participated in this mega event The event concluded successfully with appreciation from the dignitaries, judges, faculty coordinators, and enthusiastic student participants.

CapeXtreme 2026, a 24-hour Inter-College Hackathon, was successfully conducted on 15th and 16th April 2026 at St. Xavier's Catholic College of Engineering. Organized by the Hackathon Cell and sponsored by CapeStart Software Pvt. Ltd., the event brought together talented students from various institutions. Participants worked continuously for 24 hours, developing creative and practical solutions with great enthusiasm. Industry experts from CapeStart and other organizations evaluated the projects and provided valuable guidance and feedback. The inauguration and valedictory ceremonies were graced by esteemed dignitaries from the institution and industry. Team A4-TechSentinels from Mar Ephraem College of Engineering & Technology won the first prize of ₹10,000. Hive Minds from SXCCE secured second prize, while Code Squad from Arunachala College of Engineering for Women won third prize. 28 team (124 students) participated in this mega event.The top 10 presenters were also recognized with CapeStart goodies for their excellent presentations. The event concluded successfully, offering participants valuable learning experiences and internship opportunities with CapeStart.

The MSME of St. Xavier's Catholic College of Engineering successfully organized a program on "Technology Readiness Level, MRL, JRL, IP commercialization, Tech transfer "on 10.02.2026. The resource person of the event was Dr. M. S. Starwin, EDII coordinator, Kanyakumari district & Professor in Mechanical Engineering, University College of Engineering, Nagercoil. A total of 72 students and 3 faculty member participated in the event.

Achievements:

Our Students demonstrated remarkable participation in numerous national and state-level external hackathons and innovation competitions hosted by reputed institutions such as IIT Madras, SRM Institute of Science and Technology, Kongu Engineering College, and Government Engineering College. They participated in prestigious events like Cyberthon'26, CRESCITA 2026, Hack@Arch 4.0, TN WISE 2026, and TN-IMPACT.

The students secured notable achievements, including:

Ebin A, Akash Roshan S, Harish S, Jeswin A H of III CSE participated in Hack@Arch 4.0 held at Government Engineering College from 27.03.2026 to 29.03.2026 and secured the Third Prize with a cash award of Rs. 5,000.

Conred Dias Jacobs and S. Fegil of II CSE, along with Jacob Jerin J of II AI&DS and Aadharsh M of II CSE**,** participated in CRESCITA 2026, a 30-hour Hackathon held at Kongu Engineering College on 06.03.2026 and 07.03.2026, and secured the Third Prize with a cash award of Rs. 5,000.

Five teams from our institution for being shortlisted among the Top 500 teams in Niral Thiruvizha 3.0**.** Each selected team has been awarded a grant of ₹15,000 to develop their innovative prototypes.

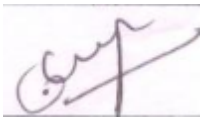

Team 1 – Viladimir Rixon G, John Lee David P, Jed Gershon S, and Jaya Varsan N (Mentor: Dr. M. Starwin, ECE);

Team 2 – Shyma S M, Jebisha J, and Stefflin S S (Mentor: Dr. G. Sahaya Stalin Jose, IT);

Team 3 – Showndhari S M, Nishika R, Najaah I S, and Sundareswari S M (Mentor: Ms. J. Jencewin, CSE);

Team 4 – Shafinus Syrus S and M A Mona Salama (Mentor: Dr. G. Johncy, CSE);

Team 5 – D V Kidslin Dini, R Saniya, and R T Sree Dharsha (Mentor: Dr. I. Jessy Mol, Civil)

Student Welfare Cell
Activities Report – Even semester of 2025-'26
St. Xavier's Merit Scholarship Exam (SXMSE) – 2026

The St.Xavier's Merit Scholarship Exam for the academic year 2026-27 has been conducted on 28-03-2026 (Saturday). The registration process started at 8.30 a.m. and the exam started at 9.00 a.m. The examination was conducted in different venues (nearly 11 Laboratories) and about 608 candidates attended the examination. An orientation programme for parents was arranged in the conference hall at 10:00 a.m. The session began with a valuable address by Dr. R. P. Anto Kumar, Dean–Academics, on "Education Systems in India and Categories of Higher Educational Institutions." Dr. M. Marsaline Beno, Dean–Research, delivered an inspiring speech on "Parents as Career Architects: Guiding Your Child towards the Right Career Path." Dr. J. Ann Rose, Dean–IQAC, addressed the parents on "Quality Standards, Accreditation, and Recognition of SXCCE." Mr. M. Anto Xavier Roch, Dean of Students' Futuristic Services, highlighted the placement opportunities and the institution's commendable placement records. Dr. V.Christus Jeya Singh, the Vice Principal and Dean–Student Affairs, clearly explained the admission procedures to the parents. Finally our Principal Dr. J.Maheswaran extended his warm wishes and heartfelt appreciation to the parents for bringing their children to our institution to appear for the merit scholarship examination, and also conveyed his best wishes to the students for outstanding success in their forthcoming board examination results.

Sxcce Merit Scholarship Exams

Student Welfare Cell- Interaction meeting (20/04/2026)

An interaction meeting for Vicariate quota and St. Xavier's merit scholarship students for the higher semesters and for the first year students was held on 20th April 2026 at 12.35 p.m. at Einstein seminar hall. Nearly 74 students along with the department coordinators have attended the meeting. The meeting starts with a prayer by Mrs. Anorelin, Assitant Professor, CSE. Dr. V. Christus Jeya Singh, Vice Principal and Dean Student Affairs addressed the gathering. In his address, the Dean congratulated the recipients for their dedication, hard work, and academic excellence. Emphasizing the importance of consistency and discipline, the Dean encouraged students to continue striving for higher goals while maintaining a balance between academics, up skill them and personal development. The scholarships, he noted, are not only recognition of past achievements but also a motivation to pursue future success with greater determination. Reminded about the scholarship amount spent by the management every year and motivated the students to help the poor students after their graduation.

Then the Principal, Dr.J.Maheswaren, congratulated the scholarship recipients for their outstanding academic performance, dedication, and perseverance. He highlighted that these scholarships are a reflection of the students' hard work and commitment to excellence. Motivating the students further, the Principal encouraged them to view this achievement as a stepping stone rather than a final destination. He emphasized the importance of continuous learning, self-discipline, and setting higher goals for the future. The Principal also inspired other students to stay focused and work diligently; assuring them that consistent effort always leads to success.

The address concluded with an encouraging message, urging all students to make the best use of the opportunities provided, uphold the values of the institution, and strive to achieve both academic and personal growth.

The interaction meeting comes to an end at 1.30 pm with a vote of thanks by Dr.V.Jesus Bobin, Assistant Professor, Department of Electrical and Electronics Engineering, Sxcce.
