St. Xavier's Catholic College of Engineering

Accredited with 'A' Grade by NAAC | UG Programs EEE, ECE & MECH Accredited by NBA [Tier II, 2018-2019 to 2020-2021]

2018-2019 | Issue 2

From the Desk of **Editor-in-Chief**

Dr. J. Annrose

Head, Department of Information Technology

I extend heartfelt wishes to the effort done by the editorial team of this Newsletter. It gives the snapshot of the various activities and provides up-to-date developments of the department and serve to reinforce further. It also provides a forum to have better awareness, improved interaction and integration among all of us. It provides a platform for exposing the merits and academic achievements of the faculty and students. This issue is a brief account of the important events held during Dec 2018 to June 2019. We expect that it will inspire the readers and we are accepting your valuable comments for our improvement.

About the Department

The Department of Information Technology offers an excellent atmosphere for students to learn and acquire the necessary skills demanded by the industry. The department has experienced faculty members who are fully committed to teaching and research and are specialized in various fields of Information Technology. The students have access to well-equipped, state-of-the-art laboratories with superb Internet facilities. A wide range of research activities undertaken in the department allow the students to gain contemporary knowledge about real-life problems in the industry. Professional activities like Symposium, Paper Presentation, Technical seminars are organized at regular intervals. Most of the students of our department are the members of technical bodies like IEEE, ISTE, CSI etc.. Under the guidance of these faculty members the students are not only given a good exposure both in theory and practical but also a better way about how a human should be in our society. This department also offers various value added training programs and international certification courses. The department has brought out outstanding engineers in the past and will continue in doing so in the years to come.

Exploring the Chronicles

An enrichment program on Network Protocols was organized on 24th January, 2019. Mr. Vijaya Ganesh, an Industrialist made an wonderful session on Network Protocols which provides a platform for the students to explore the technologies in networking and routing protocols.

A motivation program on Moral and Ethical Values was conducted on 24th January, 2019 by the department. Professor Sebastin delivered a seminar on Moral and Ethical values. The session helps the students to know their importance of values in life.

A special seminar on Employability Skills was organized on 31st January, 2019. Mr.S.Sathish Kumar, Silicon Software Services shared his knowledge with the students to motivate the students to do projects efficiently.

TECH BETA 2K19

A State Level Technical Symposium TECH BETA 2K19 was held on 06th March, 2019. Mr. J.Asir Packia Raj, ISRO was the chief guest. Rev. Dr. Maria William, the Correspondent presided over the function. More than hundreds of students have participated and showcased their technical talents in the competitions like paper presentation, poster presentation, idea presentation, web designing, quiz and debugging.

Semester Plan

2019-2020 ODD

Date In the year 2019	Program
Jun 20-22	Staff Orientation Program
Jun 24	College Reopening
Jul 5	Association Installation
Jul 10-16	Class Test 1
Jul 20	Industrial Visit - Third Year
Jul 25-31	Internal Assessment Test 1
Aug 13-21	Class Test 2
Aug 21	Industrial Visit - Second Year
Aug 30 - Sep 6	Internal Assessment Test 2
Sep 18-25	Class Test 3
Sep 28 - Oct 9	Model Examination
Oct 19	Last Working Day
Oct 21-26	University Practical Exam
Nov 6	Commencement of University Theory Exam
Nov 11-16	Faculty Development Program
Nov 18-23	Faculty Development Program

Vision

Creating top-notch Information Technology Engineers, innovative researchers and successful entrepreneurs towards developing a technically empowered humane society.

Mission

- M1. Providing quality technical education and high caliber skill training that meets the needs of society and latest technical expectations of the industry.
- M2. Fostering innovative and rigorous research culture among staff and students to find optimal solutions for complex problems.
- M3. Imparting value-based education to imbibe ethical principles and act with social responsibility, team spirit, and leadership.
- M4. Promoting and developing entrepreneurial skills of the students and handhold them towards commercial success.
