ELECTROS

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

VISION

Developing technically competent Electronics and Communication Engineers with academic excellence, innovative research, ethical standards and international outlook to serve the society.

MISSION

M1:To provide quality teaching in order to produce graduates with academic excellence, technical competence and ethical values.

M2:To develop advanced professionalism and exceptional career growth through inspiring faculty members and excellent infrastructure.

M3:To create awareness on state of the art technologies through research and industry-institute collaboration.

M4:To inculcate a sense of innovation and commitment among the students to apply knowledge and technologies for the benefit of the society.

EVENTS ORGANIZED

ELECTROS Inauguration

The Virtual Inauguration of all Department Association for the academic year 2021-22 was organized on 25-09-2022. The inaugural ceremony started with the prayer song and the welcome address was given by Ms. S.Sanjana of Final IT. Maria William, Correspondent of the institution delivered the presidential address and Dr. J. Maheswaran, Principal felicitated the gathering. Mr. S. Murshith Ahamed of Final CSE delivered the Vote of Thanks. The Inauguration program was conducted through Google Meet and it was live streamed in YouTube for the students.

A Five days Virtual Faculty Development Programme on "Emerging Technologies & Innovation in Industry 4.0"

ELECTROS organized a Five days Virtual Faculty Development Programme on "Emerging Technologies & Innovation in Industry 4.0" from 6th to 10th September 2021. The FDP was started with inauguration function at 1:30 p.m. by Rev. Dr. M. Maria William, Correspondent and Dr. J. Maheswaran, Principal, SXCCE. The programme was conducted through Google meet platform.

- **❖** Day 1 (06.09.2021): Multidisciplinary opportunity in future Industry 4.0
- **❖** Day 2 (07.09.2021): NOMA based 5G Wireless Communication
 - Resource person: Dr.D.Judson/Assoc.Prof SXCCE.
- ❖ Day 3 (08.09.2021): An overview of Deep Learning
- **❖** Day 4 (09.09.2021): Towards Computer Vision
 - Resource person: Dr.C.Seldev Christopher/Prof SXCCE.

❖ Day 5 (10.09.2021): Cloud Automation using Alibaba Cloud

 Resource person: Er.S.Gavaskar/Delivery Director MultiCloud4U, Guragon, Haryana.

The number of faculties participated in the FDP were 67. Among them 46 faculties were from our college and 21 faculties from other colleges.

Webinar on "Leadership through Professional Development"

ELECTROS organized a Webinar on" Leadership through Professional Development". It was conducted on 15-09-2021(Engineers' Day). The objective of this webinar is to create the Engineering leaders and Innovators of tomorrow. The Resource person was Ms. Ankayarkanni Rajendran, our Alumna & IEEE Member working as Software Engineer in Formcept Technologies & Solutions Pvt. Ltd, Bangalore, India. She shared her experience and motivated the students to take part in the professional body activities. 15 faculty members from our college and 24 students from 3rd year ECE were participated.

Seminar on "Project Guidance"

ELECTROS organized a Seminar on Project Guidance". It was conducted on 05-10 2021 for Final year ECE students. The objective of this seminar is to know about project work. The Resource person was Er.R.Abhishek, our Alumnus, CEO Founder, Chek In Tek Hardware Academy Attoor. He shared his experience and motivated the students to do their project effectively. Students gained knowledge about how to do project.

Motivation Program "Design Thinking"

ELECTROS organized a motivation program titled "Design Thinking" on 26-10-2021 Final year ECE students. The objective of this program is to provide the direction for the students to reach their goals no matter how big or small they are, the way to measure their progress and the best way to plan for the future. The Resource person was Er.N.Rahul, Innovation Ambassador of IIC of Ministry of Education's Innovation cell. He shared his experience and motivated the students to become successful in their life. 58 students actively participated in the program.

Seminar on "Machine Learning"

ELECTROS organized a Seminar on" Machine Learning on 04-12-2021 for Final year ECE students. The objective of this seminar is to know about the basics and importance of Machine Learning. The Resource person was Ms.Kayathri, Technical Trainer, Machine learning expert, Network Systems, Nagercoil. She explained the basics and applications of machine learning and motivated the students to do their project in this domain. Totally 29 students attended the seminar and they gained knowledge about Machine Learning which will be helpful for doing their project effectively.

One day Workshop on "Machine Learning using Python"

ELECTROS organized a one-day workshop on" Machine Learning using Python". It was conducted on 13-12-2021 for Final year ECE students. The objective of this seminar is to know about machine learning algorithms, their applications and to gain practical knowledge. The Resource person was Ms.Kayathri, Technical Trainer, Machine learning expert, Network Systems, Nagercoil. She was assisted by M.S.Ajeesh, Technical Trainer, Network Systems. Python IDE was installed and hands on training was given. Python program for speech recognition and controlling all activities, was explained and demo was given.

A one day workshop on "Python programming"

The department of ECE organized a workshop on "Python Programming" for the PG students(CS,ME) on 12/04/2022. The resource persons for this workshop were Dr.D.Jeraldin Auxillia/Professor and Dr.C.Helen Sulochana /Professor. This workshop was based upon hands-on approach. The topics covered are introduction to Python, various data types, conditional statements, functions, Python Libraries, Data handling and Visualization techniques. The takeaways from this workshop added immense value to the knowledge base for each of the participants

A one day workshop "VLSI programming"

The department of ECE organized a workshop on "VLSI Programming" for the PG students(CS,ME) on 20/04/2022. The resource persons for this workshop were Dr.T.Latha/Assoc.Professor and Dr.Y.R.Annie Bessant/Asst. Professor. This workshop was based upon hands-on approach. The topics covered are introduction to VHDL and Verilog, various data types, conditional statements, functions, and Synthesis and simulation techniques.

A National Level Technical Symposium "CRACKERJACK 2K22"

ELECTROS organized a National Level Technical Symposium titled "CRACKERJACK 2K22" on 20th May 2022. The inaugural ceremony of symposium started with the prayer song. Mrs.V.Femila Savio, Faculty Advisor welcomed the gathering. Rev. Fr. Dr. M. Maria William, Correspondent of the institution delivered the presidential address and Dr. J. Maheswaran, Principal felicitated. The Secretary Ms.Steni G. presented the annual report.

The Chief Guest Mr.S.Vijay Krishnan, Assistant General Manager/Divisional Engineer, BSNL, Tirunelveli was introduced by Mrs.M.Mary Helta Daisy, HOD, ECE Department. The Chief Guest addressed the gathering with his motivation speach. Then the Alumna Ms.M.Ivana Bhagya, Software Engineer, H & R block, Technopark, Trivandrum was introduced by the Executive member Mr. Shelif M.A. Then the Alumna addressed the gathering by sharing her experiences. The Joint Secretary Ms.Bhoomika R. delivered Vote of Thanks. The function came to an end with College Anthem.

After the function a Technical Talk session on "Ethical Hacking" was handled by the Chief Guest Mr. S. Vijay Krishnan, Assistant General Manager/Divisional Engineer, BSNL, Tirunelveli. The session was very informative, interactive and very interesting.

Different technical events like paper presentation, quiz, circuit debugging and idea presentation were conducted for our students and other college students, which provided a platform for students to showcase their talents. After that, prizes were distributed to all the winners by our HOD. Finally, the symposium ended with National Anthem.
