VOLUME-I

2021-2022

HISTORY OF DEPARTMENT

The Civil Engineering department, SXCCE was started in 1999, the very next year of the college inception to cater to the growing needs of builders for our nation and to the world at large. The department has state of the art facilities equipped with latest instruments, equipment and software for imparting technical knowledge on par with

International requirements. To develop responsible savvy professional techno-managers, the department also offers a PG program in Construction Engineering and Management & Structural Engineering. Experienced and well-

Qualified faculty members, well-equipped laboratories and workshops are the strength of this department. Advanced licensed software includes primavera, MS- project; STAAD Pro, ETABS, ANSYS, and Lab view are available to students to take up real time projects. REACH is the department association responsible for all co-curricular activities. The consultancy cell of this department is active in testing the quality of material like concrete, brick, soil, water, and bitumen, aggregate and steel reinforcement. The department also undertakes assignment with Govt. and private sector.

Dr. J. Jerlin Regin
HOD, Civil
Engineering

HISTORY OF REACH ASSOCIATION

The association REACH was started on February 16, 2002. Through our association we have conducted many national and international level conference, and symposiums and seminars. The association motivates the students to develop technically on “modern and sustainable eco-friendly construction”.

The aim and ambitions of our associations is, to create an environment where the students can develop new engineering skills. To make the students familiar with the latest happenings and trends in construction industry with lectures and seminars. To enable leadership and responsibilities and social practices for achieving sustainable development for the students. To promote innovative ideas, technical tools and products for the betterment of society. To conduct seminars, papers presentation, workshops, competitions and cultural activities to improve the special skills among students.

Mr. F. John Paul
Faculty In-charge

VISION AND MISSION

Vision of the Department:

To be a department of eminence in producing Civil Engineers who serve people with technical expertise, groundbreaking innovations and productive entrepreneurial initiatives with high ethical standards and commitment in green and sustainable development.

Mission of the Department:

- M1: To provide quality teaching in order to transform students into civil engineers with academic excellence and technical expertise with outstanding faculty and excellent infrastructure.
- M2: To develop leadership qualities and managerial skills of the students to become productive entrepreneurs.
- M3: To create awareness on recent technologies through innovative research and industry institute collaboration.
- M4: To inculcate human values within the students and inspire them to create a sustainable ecofriendly society.

Program Educational Objectives (PEOs)

- PEO1: To prepare students for successful careers in Civil Engineering field that meets the needs of national and multinational companies.
- PEO2: To develop the confidence and ability among students to synthesize data and technical concepts and there by applying it in real world problems.
- PEO3: To develop students to use modern techniques, skill and mathematical engineering tools for solving problems in Civil Engineering.
- PEO4: To inspire the professionals with creative thinking and innovative research. PEO5: To follow the engineering qualities with the social and ethical values.

Program Specific Outcomes (PSO)

- PSO1: Demonstrate knowledge in core areas of civil engineering such as planning, designing, estimating and carrying out construction.
- PSO2: Apply the concept of sustainable development in the context of environment, economic and social requirements.
- PSO3: Develop research activities, consultancy services with critical thinking, professional development and lifelong learning.

OFFICE BEARERS

REACH ASSOCIATION OFFICE BEARERS (2021-2022)

1. Mr. F. JOHN PAUL. AP (Faculty Advisor)
2. Mr. SAHAYA SAAJAN (Student secretary) IV year civil
3. Ms. S.V. JASHNI CHRISTINA CASTRO (Joint secretary) 3rd year civil
4. Ms. M. STELLA MARY SOPHIYA (Treasurer) 3rd year civil
5. Mr. R.V. RAJEEVAN (II ME CEM)
6. Ms. E.S. BENIN (II ME SE)
7. Mr. J.A. JAIRESH AHALAN (IV year civil)
8. Mr. M. SAMEEM (IV year civil)
9. Ms. T. AKSHAYA (IV year civil)
10. Mr. J.A. JAIRESH AHALAN (IV year civil)
11. Mr. RON SAMUEL (3rd year civil)
12. Ms. V.J. HELEENA (2nd year civil)
13. Mr. J.A. DANIESH FRADY (2nd year civil)
14. Mr. G. HEVIN JOEL (2nd year civil)

EVENTS

Various events conducted by REACH Association (2021-2022)

Career Guideline Program

A career guideline program was conducted on 4th october 2021. 40 students from UG final year of Civil Department attended this program.

Orientation Program on Software's In Civil Engineering

An orientation program was conducted on 12th october 2021. 28 students from UG final year of Civil Department attended this program.

Orientation Program on Revit Architecture

An orientation program was conducted on 18th November 2021. 39 students from UG third year of Civil Department attended this program.

Orientation program on Software in Civil Engineering

An orientation program was conducted on 8th December 2021. 35 students from UG final year of Civil Department attended this program.

INDUSTRIAL VISITS (2021-2022)

Industrial Visit to Kochi

A 2 days industrial visit to Kochi for 3rd year Civil Engineering students was organized on 18th and 19th may 2022. 45 students and 3 faculty members visited the SHOBA developers.

Educational Tour to Ooty Bangalore, Mysore, Coorg

A 5days Educational Tour to Ooty, Bangalore, Mysore, Coorg for final year Civil Engineering students was organized on 25th to 29th April 2022. 40 students and 3 faculty members visited the tour.

GRADUATION DAY (2020th Batch) 27-5-2022
Civil Engineering

UG (2016-2020)

PG Structural Engineering(2018-2020)

PG CEM (2018-2020)

TECHNICAL SYMPOSIUM “BENCHMARK22”

A technical symposium was conducted on 13/05/2022 by REACH & FACEAT&P association of civil department SXCCE. 250 students and 30 staff members had attended the symposium.

Virtual FDP on 'Research methodology & IPR'

A 5 day virtual FDP was conducted on 21st February to 25th February 2022.
150 Faculties and 70 students attended this FDP.
